WELCOME

Dear Neighbor:

The residents of 88th & Morgan would like to extend a heartfelt welcome and many blessings to you and your family.

We try our best to work as a team to keep our block as safe and clean as possible. With yours and everyone else's help, it is possible. Of course, we can't control all undesirable actions, but we do discourage littering, hanging on the corners and in front of homes other than original residences, loud music, and the washing and repairing of cars on the front. We have an active CAPS connection and a good relationship with the police in our area.
